SPONSORSHIP PACKAGES

AT THE MAPLE RIDGE COMMUNITY FOUNDATION, WE ARE PASSIONATE ABOUT CONNECTING PEOPLE, IDEAS, AND RESOURCES THROUGH COMMUNITY PHILANTHROPY.

The Maple Ridge Community Foundation is a public foundation established by, and for, the people of Maple Ridge. We work to make giving easy by providing ways to connect donors with causes that matter in their own community, and by facilitating individual, corporate, and foundation philanthropy.

As an independent charitable organization, our only limit is the will and the imagination of our donors.

A gift of any amount creates a legacy that addresses the needs of our community today and tomorrow. We believe in the power of individuals, charitable organizations and corporations working together for positive change, and we invite you to join others who care about Maple Ridge. Please explore our website and learn how you can get involved in making a difference in your community. Feel free to contact us with any questions you may have, or to arrange for a private appointment.

We look forward to working with you!
